Headteacher Mrs Nicola Berry

Dear Parents/Carers,

From January 2019, we are very excited to be introducing School Gateway to St John's Mead, a parent engagement app that will allow you to pay for school items such as dinners, trips or music at anytime from anywhere.

However, if you prefer to pay by cash or cheque then this will still be possible using one of the local shops offering the paypoint service. You will just need to obtain a coded letter from the school office for each payment item which can be scanned in the shop, please see overleaf for details of the closest shops.

To login using your smart phone or tablet, please download the free app by searching for School Gateway in your App store and download.

For more information on how to get started, please see the School Gateway site here: <https://schoolgateway.co.uk/get-started/>. You can also login to the online version of School Gateway via this site if you do not have a smart phone.

Your login details will be automatically generated using the contact information we already have, so please make sure the details we hold for you are up to date. You can check and change these details with the school office or complete the return slip below.

Yours sincerely,

Mrs Nicola Berry
Headteacher
