## WE NEED YOUR HELP

We have a wonderful group volunteers who help us as and when they can. This can include anything from helping to setup, providing items to sell or helping to run a stall.

In order to continue running as many events as we do, we need more parent/ carer volunteers. If you can spare a couple of hours of your time, please get in touch.

## FUNDRAISING

In November/ December, the SJM community helped to fundraise a massive £2806.55.

This was achieved through 8 separate PTA fundraising events and activities!

Thank you from everyone at the PTA for your continued support.
